

Customisation

Customise your clothing with great options at Signal One

HEAT PRESS

Using our in-house, precision, high quality heat presses we can customise your garments to meet your specification. Using custom lettering and designs, **we can create bespoke uniforms with amazing and lasting results.**

EMBROIDERY

We have hundreds of stock colours and shapes for simple embroidered designs. Our in-house embroidery team has **decades of patch and application embroidery experience** and can handle everything from shirts and jackets to bags and pouches.

CUSTOM EPAULETTES

Customise your own epaulettes with quality embroidery.

- High quality embroidery, to your custom requirements.
- Available in various fabrics, colours, shapes and weights.

PRINTING

Our printing services include Rubberised, Plastisol, Screen Print and Transfers. There are many options when choosing print as your method for logo application. This is a great option for large quantity or larger sized items.

ARTWORK

Our in-house design team can offer a full range of services from concept to logo development and product design. To save on artwork set-up costs, please provide all your artwork in a Vectorised .eps or .pdf format.

CUSTOM PATCHES

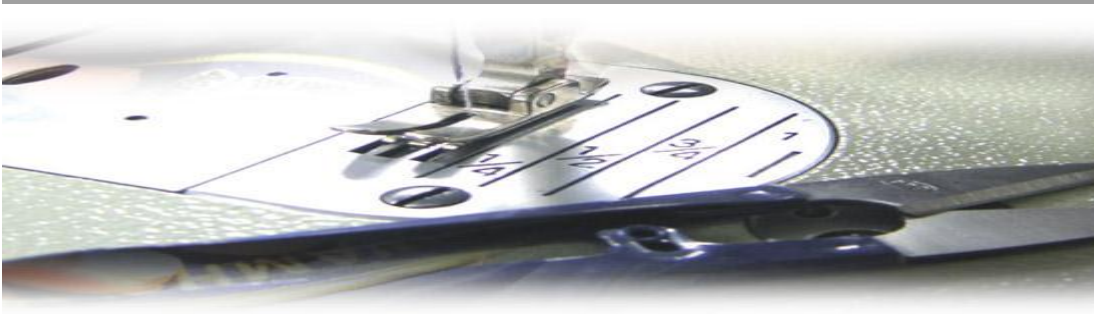

For a complete service, Signal One can now offer **extremely competitive pricing on custom made embroidered arm patches** with your logo. We can design, embroider and apply patches to any of your Signal One garments. We can stitch your patches onto shirts, jackets, jumpers, trousers... anything you like. **Drop into the store to get this service while you wait!**

Sew On Patch Application

- On-site patch application available for all garment types including leather goods.
- While-you-wait service available.

With hundreds of colours and fabrics to choose from, Signal One is able to design and manufacture many styles of garments - [just ask our sales staff for a full run-down.](#)

ALTERATIONS

We offer complete local manufacturing and alterations facilities for all your specialised and custom made garments that are proudly Australian Made. Our express alteration services are available to tailor any garments to your specific needs and include re-hemming of trousers, patch application, adding epaulettes and pockets when required. **Please [contact](#) our sales team for our alterations pricing.**
