### Franklin's Uniforce Kevlar Lined Cold Weather Duty Glove

Black

Sizes: S - 2XL

- Kevlar® laceration resistant liner provides proven protection against cuts
- Pittard goatskin leather palm for maximum flexibility and an excellent grip
- Custom cutting patterns and sewing techniques create a glove built to the natural contours of the hand

**Franklin**

**DYNEEMA™**  
by DBM offers maximum strength combined with minimum weight for the highest level of comfort. It is the world's strongest fibre.

**PITTARDS PARADOS™**  
repels many liquid chemicals, and does not absorb them, this provides the wearer with a greater level of safety against chemical splashes.

**HIPORA™**  
is a micro porous coating structure. O.S.H.A standard for blood borne pathogen resistance whilst allowing perspiration dispersion.

**COOL-MAX™**  
reduces skin heat, lower heart rates during exercise and maintains hydration, while offering excellent moisture management.

**ARMOR-TAN™**  
exclusively for Franklin by Pittards is a process that binds ceramic-based "armor plating" to each leather fiber resulting in 25% more glove durability.

**AEGIS MICRO SHIELD™**  
 technology within the leather of our gloves protects against bacteria and fungus, which weakens leather and causes unpleasant odor.

**BREATHE-O-PRENE™**  
 The breathable nature allows warm moisture laden air to pass through, and the inert materials mean it can be used next to the skin with confidence.

**TRI-CURVE™**  
 is our patented pre-curving process, shaping our gloves as a second skin that curve and adapt perfectly to the shape of your hand.

**NEO-FIT™**  
 is Franklin's pioneered use of neoprene in critical locations within gloves to further enhance flexibility, fit, comfort and performance.

**SEAMLESS PALM™**  
 technology is a way of constructing gloves with a seamless full-grain leather palm provides unparalleled feel and a wrinkle-free performance fit.
