NOT JUST BRIGHTER... BETTER

## FEATURES AT A GLANCE

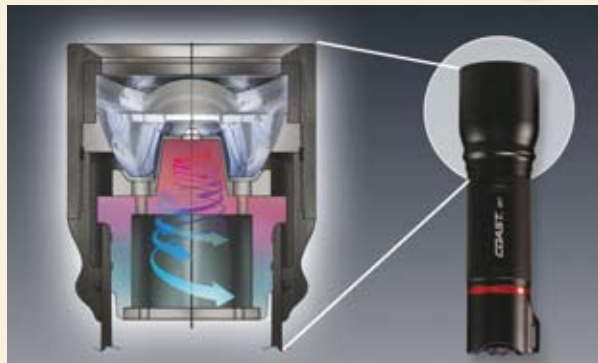

### Coast LED Lights

COAST has been setting the standard for quality products since 1919.

Powered by patented and patent pending LED Flashlight technology, COAST flashlights lead the industry in light output, energy efficiency and quality.

#### Features:

- Pure Beam™ Focusing Optic System
- Beam Lock™ System
- Fingertip Speed Focus Control™
- Cyclone™ Heat Sink System
- Aluminium Casing
- Anti-Roll Lanyard
- LIFETIME GUARANTEE

### Cyclone™ Heat Sink Technology

- Designed for high-powered LEDs
- Required to cool LEDs
- Increases LEDs' longevity
- Designed especially for COAST's Pure Beam™ Focusing Optic System
- Eliminates heat build-up
- Produces high-intensity light with minimal heat

### Pure Beam™ Focusing Optic System

#### Bulls-Eye Spot Beam

- More lumens output
- Longer beam distance
- More intense Bulls-Eye Beam
- More consistent halo
- More light area

#### Flood Beam

- Larger light area
- Superior beam consistency

### Fingertip Speed Focus Control™

Our flashlights feature a one-handed system for moving from a broad flood beam to a focused spot beam. A simple push forward or back with the thumb on the head of the light adjusts the beam to suit your application

**FEATURES AT A GLANCE**  
**511 Light for Life Flashlight**

**Light for Life -**

Recharges in 90 seconds – charges 160 times faster than its nearest competitor.

This torch uses ultra capacitor technology to charge, **so no batteries to replace and no memory loss!**

- Lightweight rechargeable flashlight with strobe
- Ultra capacitor has no memory loss like batteries – this flashlight can be charged at any time during its cycle, or left on charge for any length of time, without causing damage to the charging life
- No bulbs to replace – uses 3 powerful LED's that are rated for more than 50,000 hours of life each
- Guaranteed to charge, and hold its charge, for at least 50,000 times. That adds up to more than 130 years if you use and recharge the torch every day
- Cycle switch – press once for standard mode (90 lumens), press and hold for high mode (270 lumens), press twice for strobe function (270 lumens)
- Flashlight body is made out of a tough polymer to make it impact, abrasion and water resistant
- Limited lifetime warranty

**BZ53000** **\$259<sup>95</sup>** ea
